

DTS Manufacturing Warranty for Husky Towing Products & Accessories

DTS Manufacturing (“HUSKY”) warrants to the original purchaser its products to be free from manufacturing defects under normal use, service and ordinary wear and tear for one year from the date of purchase except where specified below:

Limitation on Warranty

DTS Mfg’s obligation under the above warranty is limited to repair or replacement of the HUSKY Product at its option after inspection due to a:

Manufacturing defect of the Product

HUSKY shall not be liable for the loss of or use of vehicles, loss of damage to personal property, expenses such as telephone, lodging, gasoline, towing, tire damage or any other incidental or consequential damages incurred by the purchaser, or any other person or entity.

HUSKY will examine the returned Product. If DTS Mfg, in its exclusive discretion, determines that the defect or damaged product is covered under this limited warranty, DTS Mfg will repair the product or replace it at that time.

Alterations to or misuse of the Product will void the warranty.

For example, overloading or exceeding an automobile or trailer manufacturers’ weight ratings, or maneuvering motor vehicles equipped with Husky products at an improper rate of speed, failure to properly maintain and regularly inspect the Product according to the instruction sheet is not covered under the warranty. Some states do not allow the exclusion or limitation of incidental or consequential damages. If such exclusions or limitations are prohibited under the applicable law, the above limitation or exclusion may not apply.

This Warranty gives you legal rights and you may also have other rights, which vary from state to state.

The Purchaser, when requesting the return of a HUSKY Product, must follow these steps:

The purchaser must have proof of purchase of the damaged product and supply the same to the Warranty Department of HUSKY.

The purchaser must contact the original selling dealer or a authorized Husky dealer. Husky dealers can be found at www.huskytow.com. The dealer will assist in the warranty process and will obtain any needed authorizations from Husky Products.

Freight and handling are not covered under the warranty policy.

Upon receipt of damaged product, HUSKY will determine whether the damaged product is covered under the Limited Warranty.

If it is, HUSKY will repair or replace the product. If the product is replaced, the product that is originally returned by the purchaser shall become the exclusive property of HUSKY. If the returned product is not covered under the Limited Warranty, HUSKY will notify the Purchaser before taking any further action with regard to repair, replacement or return, which would be at the purchaser’s cost.
