swingbyte 

Getting started

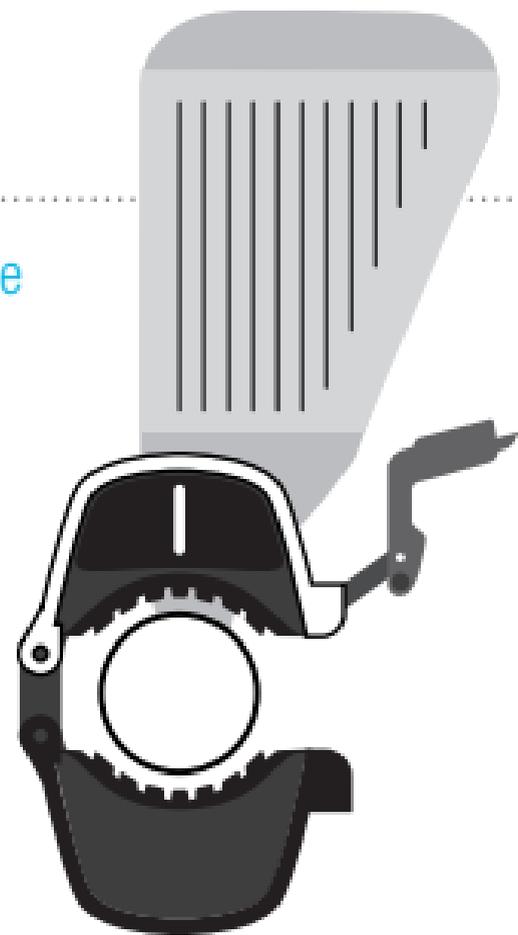

1. Attach

Place Swingbyte around the club shaft, white line on top, just below the grip.

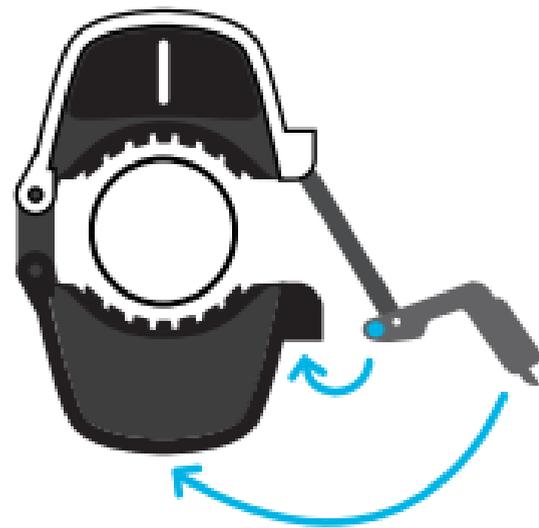

2. Align

Align the white line on the Swingbyte parallel to the grooves on the clubface.

3. Secure

Pull the latch to hook it into the tab on the bottom (black) half of the Swingbyte.

Push latch all the way down, pull back and release the latch button to lock it into place.
