

## Warranty

All at Home Styles understand that a successful relationship with our customers begins with the careful design and manufacture of quality products. While we have established a process to help meet this goal we realize that mistakes do occasionally occur. In these instances, Home Styles offers a limited warranty covering the replacement of furniture components that may be missing or defective.

Please contact our [customer service](#) care line at 888-680-7460 or you may email us at [servicedesk@homestyles-furniture.com](mailto:servicedesk@homestyles-furniture.com).
