

Stork Craft offers you a limited one-year warranty

Your Stork Craft product carries a warranty against all defects in workmanship and materials for one year, from the date of the original purchase. This warranty is limited to repairing or replacing any part of the product that, in Stork Craft's opinion, is defective in materials or workmanship under normal use and service during the one-year warranty period. This warranty does not cover any damage that results from incorrect installation or assembly, normal wear and tear, abuse, negligence, improper use nor alteration to the finish, design or hardware of the product.

During the one-year warranty period, Stork Craft will repair or provide parts at no charge to you. In order to properly assess your warranty claim, Stork Craft requires you to provide the product Date of Purchase from your retail sales receipt or other appropriate proof of purchase. This warranty is valid only for the original purchaser.

In order to supply replacement parts and ensure the safety of your child, Stork Craft requires you to provide the model number, date and country of manufacture of your item so the correct parts can be provided. This warranty only applies in Canada and the Continental USA. For more information, please [visit our frequently asked questions page](#).
