

# LIMITED PRODUCT WARRANTY

## UNIVERSAL PRODUCTS

Westone warrants this product to be free of defects in material or workmanship for a period of two (2) years from the date of original retail purchase. This warranty is available only to the original purchaser, and only if purchased from an authorized Westone distributor or reseller. If your product is found to be defective during the warranty period, Westone will, at its sole option, either repair the product or replace the product with a new or factory reconditioned or substantially equivalent model. This limited warranty does not apply to loss, theft, or any defects attributable to damage beyond the reasonable control of Westone including damage caused by abuse, misuse, misapplication or modifications performed by anyone other than Westone.

This warranty applies only to the external shell of the product, the internal components and cable. The carrying case, cleaning tool, any adapters and other included accessories are covered for 90 days. Ear tips are not covered by the warranty.

### **Repair/Replacement Warranty**

This Limited Warranty shall apply to any repair, replacement part or replacement product for the remainder of the original warranty period or for ninety (90) days, whichever period of time is greater. Any parts or product replaced under warranty will become the property of Westone.

### **REQUESTING WARRANTY SUPPORT**

If your product is not functioning properly, first ensure that the sound bore is not blocked by earwax and that the unit is completely dry. Performing these simple troubleshooting steps could solve the problem and eliminate the need for factory service.

Valid warranty claims are generally processed through the point of purchase during the first thirty (30) days after retail purchase.

### **United States & Canada**
