EPSON
Perfection 1660 PHOTO

Speed through the most challenging scanning applications without sacrificing image quality, or the bottom line! The EPSON Perfection® 1660 PHOTO offers unbelievable value and astonishing 1600 x 3200 dpi resolution. A state-of-the-art color scanner, it features Epson's innovative ColorTrue® II Imaging System and true 48-bit color depth for sharp, vivid results. Ideal for scanning photos, text, graphics, slides, or film strips, the EPSON Perfection 1660 PHOTO offers easy, automated 4-button scanning. Power-up and scan images to an e-mail software program, a scan-to-copy utility, or Epson's photo-sharing web site. EPSON Smart Panel™ software offers additional options like scan to OCR, scan to file, and more.

With a built-in 35mm film strip adapter inside the lid, this scanner is the perfect choice, whatever the task at hand. Add the optional 4" x 5" transparency unit for more functionality.

Stylus® ink jet printer, this versatile performer offers fast USB 2.0 connectivity for most Windows® systems, as well as standard USB connectivity for most Macintosh® configurations. It's the perfect fit for any home or business. Offering high-quality digital imaging, unique affordability, and user-friendly performance, the EPSON Perfection 1660 PHOTO is the perfect solution for making duplicates or enlargements from virtually any original.

Key Features

1600 x 3200 dpi resolution
- Offers remarkable image quality and razor sharp detail

Built-in 35mm film strip adapter
