

Product Warranty Registration

Thank you for your purchase of the award winning PowerAll. We appreciate your support and want to remind you to please register your product to receive a limited one (1) year warranty.

Now you may register online by simply filling out the form to the right and attaching a copy of your sales receipt or invoice as proof of purchase.

Please be sure to fill out all required fields complete. If we have any questions we will notify you immediately to ensure your product is properly registered.

Product Warranty Returns

All products to be returned for warranty must include an RMA number. Please contact us directly by filling out an inquiry to receive an RMA number.

Any returns without a proper RMA number printed on the outer shipping package will not be accepted and we will not be responsible for any such package that is lost or damaged.

It is the owner's responsibility to acquire an RMA number for any and all product returns prior to sending in a product for warranty.
