

# HOW TO UNPACK YOUR MATTRESS

1

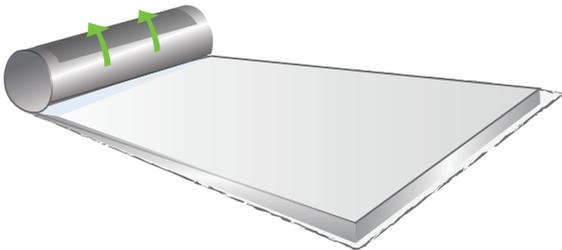

Lay the box on its side in your bedroom. Remove bagged mattress.

2

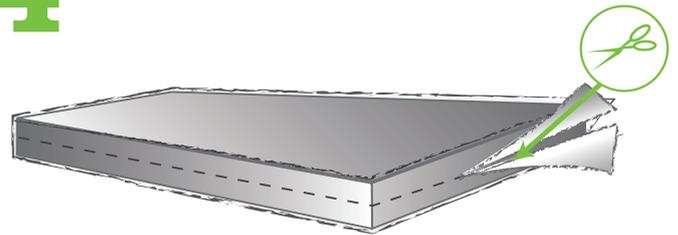

Using force, tear bag along the stitch line. DO NOT USE knife or scissors, as this may result in damage to your mattress.

3

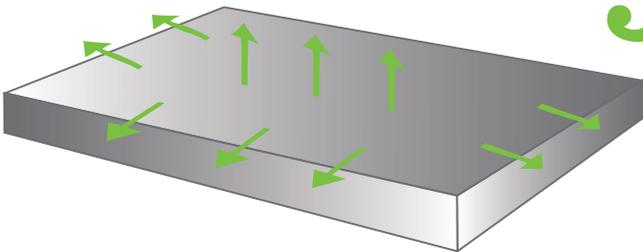

Roll out the compressed mattress on to a clean, flat surface, zipper side down.

4

Carefully cut open the CLEAR plastic bag along the edges. The mattress instantly begins to decompress. Remove the bag.

5

Allow bed to fully recover before adding bed linens. Use on any clean support surface such as a box spring, platform bed or foundation.

## TIPS

- ✓ Remove from packaging within 72 hours of receipt to maximize memory foam expansion.
- ✓ This product arrives very tightly packed. Unwrap and allow 48 hours for this product to return to its original shape.
- ✓ Being sealed in plastic packaging sometimes traps odors. After unwrapping, allow product to air for several hours.
