

This ASUS manufacturer warranty (hereafter referred to as the "Warranty") is granted by ASUSTeK Computer Inc. (hereafter referred to as "ASUS") to the purchaser (hereafter referred to as "You") of the ASUS product (hereafter referred to as the "Product"). This warranty card is being delivered with the Product, subject to the following terms and conditions. ASUS accredited Service Agents and Repair Centers will provide the services covered under this Warranty.

Warranty period of the Product

This Warranty applies for the period of 12 months ("Warranty Period") from the date the Product was first purchased by an end-customer ("Date Of Purchase") in the country of purchase. If proof of purchase cannot be provided, the manufacture date as recorded by ASUS will be deemed to be the start of Warranty Period.

Statutory Guarantees

This warranty is given independently of any statutory warranty that may apply in the country of purchase and does not affect or limit such statutory warranty in any manner whatsoever.

remainder of the warranty period, whichever is applicable. The Repair Center may recover the originally configured operation system bundled with the Product. **ASUS will not restore or transfer any data or software from the Product's original storage media. If the Product is repaired, all user generated data may be permanently deleted.**

If the Product is under Warranty, You hereby agree to transfer the ownership of replaced defective parts and such parts shall automatically become the property of ASUS.

2. Software Support

Any software delivered with the Product is provided "as-is". ASUS does not guarantee uninterrupted or error-free operation of any software provided with the Product.

This warranty covers the hardware of the Product. ASUS will provide technical support for the Product's preinstalled software only when it concerns the proper functioning of the hardware. For other problems with the software, we advise You to review the user manuals, the ASUS support web site and/ or other online resources. Third party software may require support from the respective vendors.

1. General

ASUS warrants the Product to be free from defects in workmanship and materials for the Warranty Period. The Warranty does not cover bundled accessories, which were delivered together with the Product such as: cables, wrist band, buckle etc. If the Product fails during normal and proper use within the Warranty Period, ASUS will repair or replace the defective parts of the Product, or the Product itself, with new or reconditioned parts or products that are functionally equivalent or superior to those originally supplied.

This Warranty applies only if the Product was newly manufactured on the Date of Purchase and not sold as used, refurbished or manufacturing seconds. Please keep the original purchase invoice and this warranty card for future service request. This Warranty does not include failure caused by improper installation, operation, cleaning or maintenance, accident, damage, misuse, abuse, non-ASUS modifications to the product, any software programs, normal wear and tear or any other event, act, default or omission outside ASUS' control. For further details, see section 5 of this Warranty Card.

All components that an ASUS Service Center repaired or replaced will be under warranty for three months or for the

3. Customer responsibility

When using the Product

- Read the user manual first and use the Product only according to the user manual.
- Do not leave the Product connected to the power supply once it is fully charged and not turned on. Some electrical items are not designed to be left connected to the power supply for extended periods of time.
- Periodically back up your data stored on the Product.
- Keep the original packaging. In case the Product needs to be returned for repair, original packaging provides a better protection for the Product during transportation.
- Please check the manual and the ASUS support website for troubleshooting solutions, before contacting the customer service.

When contacting ASUS Customer Service

- Before contacting ASUS technical support, ensure that You have the Product in front of You and that it is turned on, if feasible. Please also be ready to provide the Product's serial number, the model name and proof of purchase.

- Technical support hotline phone number can be found at <http://service.asus.com/>.
- You will be requested by ASUS to perform some of the Product's troubleshooting tasks or actions, which may include the following:
 - Restoring the Product's operating system, factory-installed drivers, and applications to the factory default settings.
 - Installing updates, patches or service packs.
 - Running diagnostic tools and programs on the Product.
 - Allowing the ASUS technical support agent to access the Product with remote diagnostic tools (when available).
 - Performing other reasonable activities requested by ASUS, which will assist in identifying or resolving the problems.
 - If the problem is not solved remotely, you will have to return the Product to an ASUS Repair Center (this process is called "RMA"). ASUS will issue an RMA number for Your Product. Please record Your RMA Number for tracking purposes.
 - Describe the problem clearly and completely on the RMA request form.
- Place a duplicate address label inside the package
- Please do not send in anything but the Product itself unless specifically requested by ASUS. Please remove any accessories as well as any removable storage devices from the Product. ASUS shall have no liability for the loss, damage or destruction of accessories or removable storage devices, unless they are caused by willful or gross negligent acts by ASUS.
- Remove or provide any password that You assigned to the Product. If access to the Product is blocked by passwords, then ASUS may not detect and repair all failures of the Product.

4. RMA methods

If RMA is necessary, you have to deliver your product to the nearest ASUS Repair Center. ASUS may, in its sole discretion, simplify the service procedure by offering you to deliver the Product to the retail shop where you bought it.

- Ensure that You have fully backed up all the data stored on Your Product and removed any personal, confidential, or proprietary information before any service process is started. You agree that ASUS may delete any data, software, or programs installed on the Product without restoring them. ASUS shall not be held liable for the permanent loss, damage, or misuse of your data.
- Pack the Product in safe and stable packaging. The original packaging may be useful for this purpose. In any case, the packaging should meet the following requirements:
 - Use a rigid box with flaps intact
 - Remove any labels, hazardous materials indicators, and other previous shipment markings on the box that are no longer applicable
 - Wrap all items separately
 - Use adequate cushioning material
 - Use strong tape designed for shipping
 - Do not use string or paper over-wrap
 - Use a single address label that has clear, complete delivery and return information

5. Exclusions from this limited Warranty Service

ASUS does not warrant uninterrupted or error-free operation of this Product. The Warranty only covers technical hardware issues during the Warranty period and under normal use conditions. This Warranty does not apply to software issues or customer induced damages or circumstances, such as but not limited to:

- (a) The Product has been tampered with, repaired and/or modified by non-authorized personnel;
- (b) The serial number of the Product, components or accessories has been altered, cancelled or removed;
- (c) The warranty seals have been broken or altered;
- (d) Obsolescence;
- (e) Damage (accidental or other) to the Product that does not impact the operation and functioning of the Product, such as without limitation to rust, change in color, texture or finish, wear and tear, gradual deterioration;
- (f) Damage to the Product caused by war, terrorism, fire, accident, natural disaster, intentional or accidental misuse, abuse, neglect or improper maintenance, and use under abnormal conditions;

- (g) Damage to the Product cause by Improper Installation, Improper connection or malfunction of a peripheral device such as printer, optical drive, network card, or USB device, etc.;
- (h) Damage to the Product caused by an external electrical fault or any accident;
- (i) Damage to the Product resulting from use outside of the operation, storage parameters, or environment detailed in the User's Manual;
- (j) Damage to the Product caused by third party software or virus(es); or there is software loss or data loss that may occur during repair or replacement;
- (k) Unusability due to forgotten or lost security passwords;
- (l) Unusability of or damage to the Product caused by contamination with hazardous substances, diseases, vermin, or radiation;
- (m) Fraud, theft, unexplained disappearance or willful act;
- (n) Unusability or damage to the Product caused by installing and using the Unlock Device App, which is a utility that will unlock your Product's boot loader but will render the Product's warranty null and void.

Except as provided in this warranty and to the maximum extent permitted by law, ASUS is not responsible for direct, special, incidental or consequential damages resulting from any breach of warranty or condition, or under any other legal theory, including but not limited to loss of use; loss of revenue; loss of actual or anticipated profits (including loss of profits on contracts); loss of the use of money; loss of anticipated savings; loss of business; loss of opportunity; loss of goodwill; loss of reputation; loss of, damage to or corruption of data; or any indirect or consequential loss or damage whatsoever caused including the replacement of equipment and property, any costs of recovering or reproducing any data stored on or used with the Product. The foregoing limitation shall not apply to death or personal injury claims, or any statutory liability for intentional and gross negligent acts and/or omissions by ASUS. Some jurisdictions do not allow the exclusion or limitation of incidental or consequential damages; to the extent such jurisdiction is governing this Warranty the above limitations do not apply to You.

This Warranty applies in the country of purchase.
