

Guarantee

We grant a 5-year **or a 10-year** warranty on all wolcraft products with the relevant marking* from the date of purchase, provided the article has exclusively been used for DIY purposes. The warranty only covers damage to the item purchased, and only such damage that can be attributed to faulty material and poor workmanship. The warranty does not cover defects and damage that must be attributed to improper use or insufficient maintenance. Nor does the warranty cover the usual wear and tear as well as defects and damage, of which the customer has been aware when purchasing the equipment. All other wolcraft articles shall be subject to the statutory warranty regulations.

Warranty claims can only be asserted by producing the invoice or the till receipt.

The warranty granted by wolcraft does not in any way restrict your statutory consumer rights (i.e. contract performance, withdrawal from the contract, price reduction, claims for damages or reimbursement of expenses).
