

Enclume

Premier Reversible Arch Rack

PR37

Enclume racks are the ultimate in Quality, design, strength and function. Congratulations for owning one of the finest Storage racks made.

WARNING:
READ ALL OF THE INSTRUCTIONS
BEFORE ASSEMBLING AND USING
YOUR RACK.

All of our hammered steel racks are finished with an industrial wax designed to give years of protection to the rack. Cleaning is easily done with a damp cloth. Dry thoroughly after cleaning. If a touch-up is ever needed we recommend a "Pledge" like wax product.

Enclosed you will find everything needed for the assembly and use of your storage rack. Two people make assembly and installation easier. The parts and hardware included are:

Hardware included:

- 2 – Ceiling Screw Hooks
- 2 – 2" 'S' Hooks
- Toggle Kit

Components included:

- 1 – Rack Body
- 2 – Hanging Arms
- 12 – Straight Pot Hooks - WSPHS

See reverse side for ASSEMBLY AND INSTALLATION INSTRUCTIONS

Limited Warranty: This product is warranted to be free of material defects for a period of five years from the date of purchase. Customer's exclusive remedy shall be the repair or replacement of the defective product and shall be subject to the following conditions: (1) notice of any defect is received by Enclume within the warranty period and (2) customer returns the defective product to Enclume Design Products, Inc., 24 Colwell St., Port Hadlock, WA 98339, *postage prepaid* within 20 days following a return authorization number (which may be obtained by telephoning the number at the bottom of this instructions) being provided to the customer by Enclume. There are no other warranties, expressed or implied. **THERE ARE NO WARRANTIES OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE. ENCLUME SPECIFICALLY DISCLAIMS ANY AND ALL INCIDENTAL OR CONSEQUENTIAL DAMAGES ARISING OUT OF THE PURCHASE OR USE OF ENCLUME'S PRODUCTS.**

ASSEMBLY AND INSTALLATION INSTRUCTIONS for PR37

Enclosed you will find everything needed for the assembly and use of your storage rack. Two people make assembly and installation easier. The parts and hardware included are:

Hardware included:

2 – Ceiling Screw Hooks
2 – 'S' hooks
Toggle Kit

Components included:

1 – Rack Body
2 – Hanging Arms
12 – Straight Pot Hooks - WSPHS

ASSEMBLY AND INSTALLATION INSTRUCTIONS

Rack Assembly

- 1) Place rack body on a firm surface.
- 2) Locate the hanging arms. Connect arms to the rack body by placing the ends under the appropriate cross bars as shown in the picture.
- 3) Measure and mark the location for the two ceiling screw hooks on the ceiling to hold rack hanging arms.
- 4) The rack **may be anchored into solid wood**, (ceiling or roof joist, beam or backing that is designed to support the weight of your rack along with your cookware) using the two ceiling screw hooks provided. If you decided to mount in plasterwall, use the Toggles provided, and follow the directions in the Toggle kit.
- 5) Using the 'S' hooks provided hang the rack by hooking one end of the 'S' hook over the arm and the other end over the ceiling screw hook that has been anchored securely into solid wood. Repeat process for other side.
- 6) If at any time you wish to reverse the rack, simply turn it over and repeat above. It is best to hang your pots on the crossbars to prevent sliding.
- 7) All of our hammered steel racks are finished with an industrial wax designed to give years of protection to the rack. Cleaning is easily done with a damp cloth. Dry thoroughly after cleaning. If a touch-up is ever needed we recommend a "Pledge" like wax product.

It is important that your rack is assembled AND installed correctly. If the unit is assembled or used incorrectly, it could become unstable and collapse, possibly causing injury.
