## Lily Kinetic Assembly Instructions

- Parts: A. Lower Foot Stake  
B. Upper stake  
C. C1 ( 1 Piece ), C2 ( 1 Piece ) and C3 ( 1 Piece )  
D. Screws (2)

Step 1. Screw the Upper Stake (B) onto Lower Stake (A) and remove the knob from upper stake.

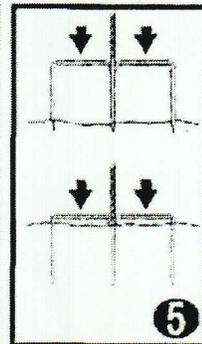

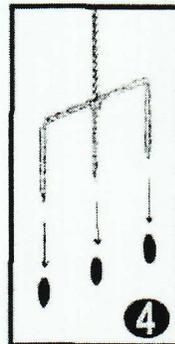

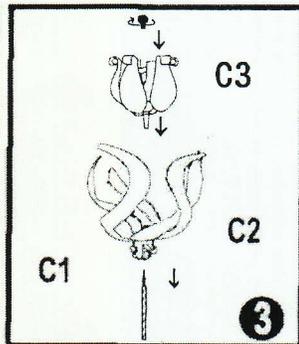

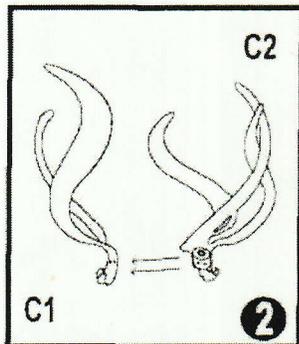

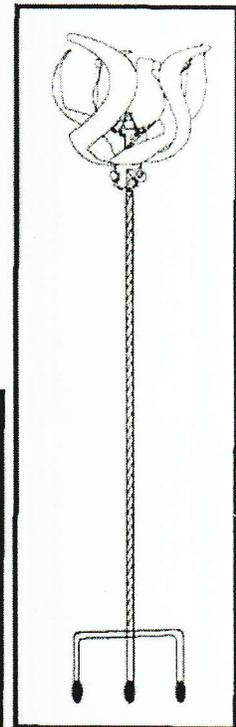

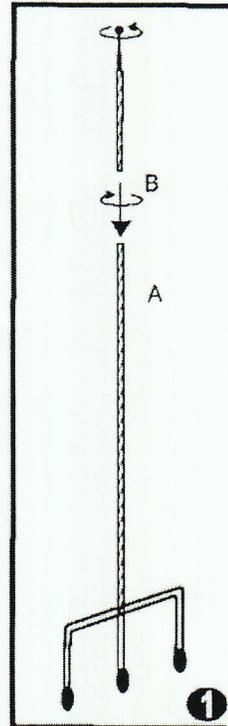

Step 2. Screw Lily part (C1) and (C2) together with screws (D).

Step 3. Place assembled Petals (C1) and (C2) on Upper Stake and place Lily center Petals (C3) on top of stake and secure them with Ball Finial.

Step 4. Remove the rubber protectors from all stakes.

Step 5. Carefully push both sides of the Foot Stake into the ground, keeping equal pressure on both sides. Do not use excessive pressure unevenly as it may cause damage to the Foot Stake.

This product is made of recycled metal and will weather over time. To maintain the original finish, periodically apply a coat of polyurethane.
