SMD3528 Single Color Flexible LED Lighting Strip

Our Flexible LED Light Strips create ambiance and style with energy-efficient LED lighting. These light strips can be used creatively in interiors and are well suited for spaces in need of a personal touch.

Our strips can be cut after every 3rd LED, and have 3M adhesive backing, making our LED Strip Lights perfect for any project. This 12-volt, environmentally friendly LED light is also low heat, does not emit any UV or infrared light, and lasts up to 50,000 hours.

	model #	color	voltage	lumen per ft	IP rating	beam angle	power per ft	LED per ft	width	length
Specification Sheet	LS3528_CW	Cool White (6000K)	12V DC	72 lumen	IP30, IP65, IP67	120 Degree	1.44W	18	8mm	16.4 ft
	LS3528_WW	Warm White (3000K)	12V DC	65 lumen	IP30, IP65, IP67	120 Degree	1.44W	18	8mm	16.4 ft
	LS3528_RD	Red	12V DC	60 lumen	IP30, IP65, IP67	120 Degree	1.44W	18	8mm	16.4 ft
	LS3528_BL	Blue	12V DC	60 lumen	IP30, IP65, IP67	120 Degree	1.44W	18	8mm	16.4 ft
	LS3528_GN	Green	12V DC	60 lumen	IP30, IP65, IP67	120 Degree	1.44W	18	8mm	16.4 ft
	LS3528_CW600	Cool White (6000K)	12V DC	144 lumen	IP30, IP65	120 Degree	2.88W	36	8mm	16.4 ft
	LS3528_WW600	Warm White (3000K)	12V DC	130 lumen	IP30, IP65	120 Degree	2.88W	36	8mm	16.4 ft
