Roxbury™
DECORATIVE FENCE

Affordable Ornamental Elegance

*Your landscape never
looked so impressive!*

**The Look of Distinction for
The Discerning Homeowner**

Roxbury is constructed of all welded aluminum panels, with the look of steel and durability for lasting beauty. The combination of 1" x 1" rails with 5/8" round pickets offers superior strength. All connections use a universal round post. All panels, posts and gates have decorative finial caps. Roxbury standard height is 24" and standard color is black.

Installation Instructions

Step 1 - Remove tek screw securing Finial Post caps and set aside for reattachment later.

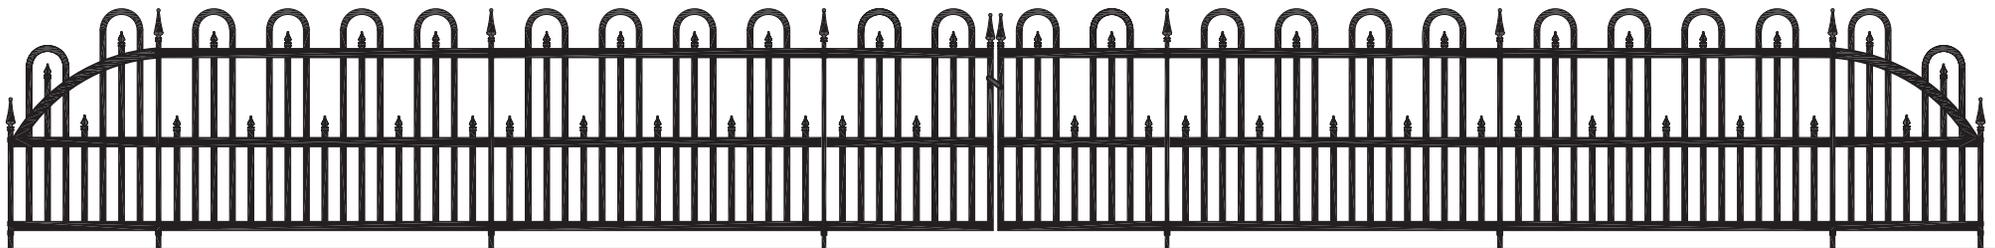

Step 2 - Layout your Panels before you sink your Posts so that they fit together in the style and shape that you desire.

Step 3 - Set a wood block on top of the posts before hammering them into the dirt/gravel.

Step 4 - Set Finial Post caps onto posts and secure with tek screw provided.

Classic Design – Modular Assembly – Beauty and Durability – Maintenance-Free – Easily Installed
24" high x 36" wide (Standard Panel) / 24" high x 36" opening (Standard Gate) / 24" high x 18" wide (End Panel)
