

# Snipe HUNT

...an indoor, outdoor hide & seek game

## Snipe Instructions

The snipe game is a hide and seek game that can be played indoors or outdoors in the dark or during the day depending on the player's choice.

### Object of game:

Be the first team/person to find the other team/persons snipe and return it to its nest.

### How to play:

The Snipe hunt game can be played with two people, two teams or special \* single seeker play

1. For playing with two people/teams start in an area that they can be separated into two hiding areas. Make sure everyone knows each area that is designated a hiding area.
2. Place the Snipe nest in an area that is fair for both teams to access. Turn each snipe on and go to the hiding area and hide your Snipe you have about five minutes before the snipes eyes begin to light up so do not take too long.( No peeking at the other team while they are hiding their snipe).
3. Once you have hidden each snipe come back to the Snipe nest.
4. As soon as all the players from each team are back at the nest, go try to find the Snipe that the other team hid. After a period of time, the Snipe will chirp and the eyes will light up.
5. First one to get the other teams Snipe back to the nest wins.
