

AutoSave

Our way of looking after tomorrow... today.

The AutoSave system automatically starts in the economy, energy conservation mode, immediately reducing your power requirements by half, exactly the same as switching off 10 x 60W light bulbs!

If, at any time, more power is needed, one push of the Hi switch gives you literally twice as much, and the red light glows, a second push of the switch and you will automatically return to economy again.

Simple Green technology and yours to command on Henry, Hetty, Harry, Henry Xtra and James

HEPA-FLO

Filtration System

HepaFlo technology brings with it better standards of performance, higher efficiency, increased capacity and greater cleanliness and convenience.

NVM-1CH NVM-1CH James, Henry, Hetty, Harry, Henry Xtra and Henry Micro

NVM-2BH Charles and George.

HomeCare

Better by design...

Meet Henry...

Henry is our original and most popular professional vacuum cleaner. Hetty "the girl Henry" is the pretty one and adored by the ladies; and now both of these have been joined by Harry - the pet owner's friend.

Whichever model you chose, the power and performance are the same... brilliant and all are now equipped, as standard, with our unique AutoSave Automatic Energy Conservation System. All three machines incorporate our TwinFlo vacuum technology which is fully complemented by the new NST sound reduction programme.

and his efficient, friendly family.

Henry Xtra

Xtra in name and specification. The ultimate Henry with added high performance AiroBrush accessory and fitted, as standard, with AutoSave energy conservation and the NST sound reduction system.

HVX200A

HVR200M

Henry Micro

British Allergy Foundation approved with our exclusive high efficiency Microtex filtration system. Henry Micro - coming to the aid of people with asthma or other dust related allergies.

James

Without doubt, one of the most frugal professional cleaners available, with added AutoSave technology providing power saving in excess of 50%, resulting in longer life and even lower sound levels.

Charles

An exceptional wet and dry cleaner that is totally without compromise, be it dust or dirt, unblocking the sink or the washing machine overflows.

A full range of accessories means you're ready for anything and everything!

CVC370

George

This all in one machine is a true family friend, dry vacuuming, wet vacuuming; scrubbing and drying hard floors; deep cleaning the carpet; cleaning the upholstery or even unblocking the sink, you name it George is your man. Everything supplied in the most comprehensive accessory kit puts you fully in control whatever the problem and whatever the need.
